Favorite Greek Myths 2021-09-09

this volume addresses textbooks written in the albanian language and in use in albania kosovo macedonia and serbia political myths and mythical spaces play a key role in shaping processes of identity building concepts of self and other and ideas pertaining to the location of the self and nation within a post conflict context the albanian case is particularly interesting because the majority of albanians live outside the borders of albania despite the existence of the nation state which gives rise to fascinating complexities regarding the shaping of national identities and myths surrounding concepts of self and other what textbooks teach is always of political

interest as they represent society's intentions for its next generation this renders identity building processes via textbooks in this context a particularly fascinating topic for research here examined through the lens of myths and mythical spaces
