Beautiful Accomodation in New South Wales, Australia 2004

driving the birdsville track is still one of the outback s great adventures the track began during the 1880 s as the main stock route from birdsville to marree it is a gateway to the corner country accessed via the simpson desert and renowned for the diamantina river birdsville hotel and the ever popular birdsville races the diversity of country between the four deserts tirari strzelecki sturt stony and simpson contrasted by the wetlands of clayton river cooper creek and mungerannie the hills at mungerannie gap and the steaming hot bores highlights the imagination of life during the early pioneering days

Great Desert Tracks Eastern Sheet 2022-02-25

the mapping regional cultures project at central queensland university of which this book is an outcome had its origins in a recognition some years ago by a number of cqu academics that regional culture and society was a neglected area of study in australia culture or the way of life of people their self understandings and the symbolic forms in which these understandings become public is usually regarded as the domain of the metropolis rural and regional culture becomes a pale reflection of that found in the city a second hand impoverished form brought about by the pioneering frontier realities which still inhabit the daily lives of those living in the regions or so the story goes p x

Discovery Guide to Outback Queensland 2003

in australia regions are not just geographic locations they are also cultural ideas being regional means being located outside the nation s capital cities and in the periphery of its centres of power and influence regional development in australia is thus significantly different than its european or american counterparts however surprisingly little has been written about the unique dynamics of development in australia s regions this book has been written to fill this gap in recent decades the australian government has made repeated policy efforts to achieve sustainable development in its non metropolitan areas over the same period those who live and work outside the nation s capital cities have come to identify as regional australians this book takes an anthropological approach to understanding the particularities of regional development in australia it draws upon rich on the ground observations of towns industries universities development organisations and communities across different settings to provide an in depth understanding of the subject this book will be of interest to researchers and practitioners concerned with regional development and policy

Great Desert Tracks Western Sheet 2022-02-25

the shark bay ningaloo coast extends 600km from north to south and the outback pathways cover more than 3 000km of outback roads all exhibiting a stunning diversity of organisms and geological and human history more than 380 photographs illustrate the text a satellite image is used for regional orientation and an indication of the area of study fourteen pages of map sections from the wa department of land information streetsmart series are included covering the coast in sequence from north to south and the outback pathways there is a photographic guide with captions for the most commonly seen plants and animals

Queensland Travelling: Basic Guide and E-book 2020-11-15

the strzelecki track was originally created by the cattle thief harry redford when he drove 1000 head of stolen cattle from queensland along the strzelecki creek to blanchewater station giving him the nickname captain starlight although he was caught for his crime he was not charged due to the audacious feat of blazing a new cattle stock route making him a national hero of the day the track was actually named in 1845 by charles sturt and the area around innamincka became famous due to the tragic events of the burke and wills expedition today the area is largely occupied by the santos gas and oil fields which branch out from moomba and appear in most areas throughout the strzelecki and sturt stony deserts the sectioned maps will help you find everything of interest along the track and point out potential road cautions in advance supported by visual references for the benefit of your safety

The Grampians 2014

compelling multifarious and essential don watson drink in its wisdom andrew leigh mp on this ancient continent waves of people have made their mark on the landscape in turn it too has shaped them

if we look afresh at our history through the land we live on might indigenous and non indigenous australians find a path to a shared future an epic exploration of our relationship with this country landscapes of our hearts takes us from the great barrier reef to the central desert the high country to canberra s limestone plains it is a book of hope and offers the possibility that a renewed connection to the landscape and to each other could pave the way towards reconciliation it will change the way you see this land
