beloved among off roaders and touring buyers alike in australia surely not long for this world with its is the landcruiser 76 series a smart or logical choice for four wheel drivers view 19 images what we love likeable and unique in its antiquity gutsy diesel v8 with torque everywhere twin lockable diffs means it s very good off road what we don t lacking almost all safety and convenience features most cars have at this pricepoint 06 07 2021 car reviews new car reviews price specs 5 interior practicality 5 performance economy 7 ride handling 7 running costs warranty 7 what we like throaty and grunty v8 diesel engine reasonably spacious for its size good off road ability with locking diffs what we didn t like in the 70 series range there are three distinct chassis codes and four different body styles the 76 wagon the 78 troop carrier and the 79 ute in both single and dual cab body styles with each offered in base workmate and premium gxl specification along with a middling gx option solely for the single cab ute 120 8 6k views 1 year ago 2022 toyota land cruiser 76 series manual is here enjoy the visual review pov test drive the 70 series is a family of toyota land cruiser models produced 16 sep 2020 13 min read toyota s landcruiser 76 series wagon occupies a small very specific niche all of its own it s very capable off road but it s not pretty it s not that comfortable it drives like a truck and it offers few if any real concessions to occupant safety complete guide to toyota land cruiser 71 and land cruiser 76 the 70 series flex automotive land cruiser 70 articles january 16 2023 flex san diego updated on february 7 2024 the front suspension has been changed from leaf springs to coil springs 76 series landcruiser review modified episode 29 finally a 76 series landcruiser and this one is

worth the wait it's the fastest 76 series landcruiser in the
toyota landcruiser 76 series a pocket sized wagon with a big
heart and superb off road capability since the first land
cruisers came to australia in the 1970s evolution not
revolution has been the name of the game but in 2022 the
70 series became much more complex and added the hilux
diesel option for 2024 built by inkas armored vehicles it's
called the 2023 toyota land cruiser 76 series expedition spec
tlc76 and it specializes in the personal security of its
occupants in all terrains see overview legendary is a much
overused word but in the case of the land cruiser 70 series it
is completely justified 30 years on from its debut the land
cruiser 70 series can still claim to be the most rugged most
reliable vehicle for handling the harshest conditions and
toughest situations which life can throw at it 8 min read
toyota's 70 series of vehicles is a long running range that
makes up the workhorse end of the landcruiser line up
within the series is a variety of engines body styles and
purposes so it's best to think of the 70 series as a family of
vehicles rather than a specific car suspension and tyres old
man emu gvm upgrade the 76 series landcruiser comes from
the factory with a gvm of 3 060kg and a kerb weight of 2
255 this is a payload of 805kg which sounds like a lot but is
consumed quickly with permanent modifications passengers
fuel water and gear land cruiser 76 still the master from the
karoo to the sahara the unstoppable land cruiser 70 series
has been forging trails around the globe traversing every
terrain known to man to rightfully claim the title master of
africa 76 series landcruiser build walkaround jacksons 4x4
