place of publication apa style guide libguides at book and book chapter references no location required apa citation guide 7th edition books ebooks pamphlets how to cite a book with a publisher in many cities pen and citations when citing a book harvard what should year be do i need to include the publisher s location in scribbr

place of publication apa style guide libguides at Mar 28 2024 the place of publication is the name of the city where the publisher is located the place can be found on the title page or verso of the title page use the first city listed or the city where the publisher s headquarters is located follow the city name with two letter abbreviation for the state example

book and book chapter references no location required Feb 27 2024 for more information on these works and on formatting book and book chapter references please see chapters 9 and 10 of the seventh edition of the publication manual and the reference examples on the apa style website publisher locations are no longer included in apa style references for books and book chapters

apa citation guide 7th edition books ebooks pamphlets Jan 26 2024 publication city province state or country publisher name often shortened note authors names are separated by commas put a comma and an ampersand before the name of the last author cited for cities in the us and canada list the city name and the province or state code

how to cite a book with a publisher in many cities pen and Dec 25 2023 city publisher list only the first city of publication that is listed in the publication information for the book this is true for both apa and mla styles for example if a book was published in boston new york chicago san francisco and los angeles your mla citation will read smith adam

citations when citing a book harvard what should year be Nov 24 2023 2 i always see tutorials on harvard referencing saying things like last name first initial year published title edition city published publisher page s what do i need to put for year published is that the year of the book s first publication or the year that the copy i have was published

do i need to include the publisher s location in scribbr Oct 23 2023 do i need to include the publisher s location in an apa book citation in the 7th edition of the apa manual no location information is required for publishers the 6th edition previously required you to include the city and state where the publisher was located but this is no longer the case
