2011

pounamu pounamu is classic ihimaera first published om 1972 it was immediately endorsed by maori and pakeha alike for its original stories that showed how important maori identity is for all new zealanders as katherine mansfield did in her first collection in a german pension 1911 and janet frame in the lagoon 1951 witi ihimaera

explores in pounamu pounamu what it is like to be a new zealander but from a maori perspective the seeds of ihimaera s later works are first introduced in this ground breaking collection the whale rider in his story the whale the rope of man in tangi and the character of simeon form bulibasha king of the gypsies in one summer morning and the themes of aroha love whanaungatanga kinship and manaakitanga supporting each other which are so intergral to ihimaera s work

Tokyo Cult Recipes

2015-10-21

this descriptive grammar provides a uniquely comprehensive description of maori the east polynesian language of the indigenous people of new zealand today the language is under threat and it seems likely that the maori of the future will differ quite considerably from the maori of the past winifred bauer offers a wide ranging and detailed description of the structure of the language covering syntax morphology and phonology based upon narrative texts and data elicited from older native speaking consultants and illustrated with a wealth

of examples the book will be of interest to both linguistic theoreticians and descriptive linguists including language typologists

Te Poti ro Potae

2004-04-02
