The Babylonian Talmūd: Tractate Berākōt 1921 we saw in volume 1 of let s get biblical why doesn t judaism accept the christian messiah how christendom beginning in the earliest epistles of the new testament deliberately altered the jewish scriptures in order to make these sacred hebrew texts appear christological what else did christians invent on the way to making christianity into the religion it became christians find it perplexing that jews don t accept jesus as the messiah because it seems so obvious to them when they routinely refer to jesus as christ and the messiah almost all christians think that the prophets of the jewish bible frequently made predictions that the messiah would be the son of god who would be born to a virgin in bethlehem be a great miracle worker endure a brutal crucifixion and rise from the dead as a result of this widespread belief many christians are astounded that jews refuse to believe in their religion they wonder how jews could possibly fail to accept their assertion that jesus is the messiah can t they see the overwhelming evidence to support this claim are they just being stubborn is there some sort of veil over their hearts and eyes how can a nation reputed to be the most intelligent people on earth be so hardheaded after all god chose the jews to be the recipients and protectors of his sacred oracles they received their instructions directly from the prophets and are the only nation on earth that can read and comprehend the jewish scriptures in its original language can such a nation be so clueless in essence christians are dumbfounded they don t understand why the vast majority of jews are unimpressed with their assertion that the central role of the messiah was to die for the sins of the world christians wonder why don t passages in the old testament such as isaiah 53 and psalm 22 convince the jews that the messiah was to suffer and die for the sins of mankind don t these and other texts in the hebrew scriptures provide irrefutable proof that jesus is the promised jewish messiah after all these chapters appear prominently in their own bible there is a clear answer to this age old question the messiah is not mentioned in any of these passages in fact these texts do not refer to the messiah but to someone or something else in volume 2 of this series rabbi tovia singer continues to probe this eye opening and thought provoking study of the bible in order to answer two fundamental questions who invented christianity and how did they

accomplish this task

**The Laws of B'rachos** 1990 explore the jewish and christian scriptures with the world renowned bible scholar and expert on jewish evangelism rabbi tovia singer this new two volume work let s get biblical why doesn t judaism accept the christian messiah takes the reader on an eye opening journey through timeless passages in tanach and answers a pressing question why doesn t judaism accept the christian messiah are the teachings conveyed in the new testament compatible with ageless prophecies in the jewish scriptures rabbi singer s fascinating new work clearly illustrates why the core doctrines of the church are utterly incompatible with the cornerstone principles expressed by the prophets of israel and are opposed by the most cherished tenets conveyed in the jewish scriptures moreover this book demonstrates how the church systematically and deliberately altered the jewish scriptures in order to persuade potential converts that jesus is the promised jewish messiah to accomplish this feat christian translators manipulated misquoted mistranslated and even fabricated verses in the hebrew scriptures so that these texts appear to be speaking about jesus this exhaustive book probes and illuminates this thought provoking subject tragically over the past two millennia the church s faithful have been completely oblivious to this bible tampering because virtually no christian can read or understand the hebrew scriptures in its original language since time immemorial earnest parishioners blindly and utterly depended upon manmade christian translations of the old testament in order to understand the word of god understandably churchgoers are deeply puzzled by the jewish rejection of their religion s claims they wonder aloud why jewish people who are reared since childhood in the holy tongue and are the bearers and protectors of the sacred oracles of god do not accept jesus as their messiah how can such an extraordinary people dismiss such an extraordinary claim are they just plain stubborn let s get biblical thoroughly answers these nagging age old questions
