the banquet is a work written by dante alighieri roughly between 1304 and 1307 this unfinished work of dante consists of four trattati or books a prefatory one plus three books that each include a canzone long lyrical poem and a prose allegorical interpretation or commentary of the poem that goes off in multiple thematic directions the banquet is a major stage of development for dante very different from the visionary world of the vita nuova although like the earlier work it too is a medium for the author s evolving sense of artistic vocation and philosophical spiritual quest this difference is reflected in how the two works use the prosimetrum format in the vita nova there is a complex interrelation and intertwining between the prose and the poetry while in the banquet large blocks of prose have an autonomous existence apart from the poems the content of the poetry is not amplified or edited in the prose so much as commented upon prosaically to serve as points of departure for the various subjects that the banquet discusses dante himself tells us that the prose of the banquet is temperate and virile in contrast to the fervid and passionate prose of the vita nova and that while the approach to this in the work of his youth was like dreaming the banquet approaches it subjects soberly and wide awake often modeling its style on scholastic authors the banquet is a kind of vernacular encyclopedia of the knowledge of dante s time it touches on many areas of learning not only philosophy but also politics linguistics science and history the treatise begins with the prefatory book or proem which explains why a book like the banquet is needed and why dante is writing it in the vernacular instead of latin it is one of dante s early defenses of the vernacular expressed in greater detail in his slightly earlier linguistic treatise de vulgari eloquentia on eloquence in the vernacular

Stations of the Banquet 2003

did jesus claim to be the bridegroom if so what did he mean by this claim when jesus says that the wedding guests should not fast while the bridegroom is with them mark 2 19 he is claiming to be a bridegroom by intentionally alluding to a rich tradition from the hebrew bible by eating and drinking with tax collectors and other sinners jesus was inviting people to join him in celebrating the eschatological banquet while there is no single text in the hebrew bible or the literature of the second temple period which states the messiah is like a bridegroom the elements for such a claim are present in several texts in isaiah jeremiah and hosea by claiming that his ministry was an ongoing

wedding celebration he signaled the end of the exile and the restoration of israel to her position as the lord s beloved wife this book argues that jesus combined the tradition of an eschatological banquet with a marriage metaphor in order to describe the end of the exile as a wedding banquet
