cnn here is some background information about the trials and execution of former iraqi leader saddam hussein facts hussein was charged with premeditated murder imprisonment and the renee montagne byline the trial of saddam hussein opened today in baghdad amos that chaos was the backdrop for saddam s trial two years after his regime was toppled seeping into the judicial the yearlong trial that ended yesterday with a sentence of death by hanging for saddam hussein had serious legal flaws that left doubts about whether he was allowed to present a full defense the execution of former iraqi president saddam hussein took place on 30 december 2006 saddam was sentenced to death by hanging after being convicted of crimes against humanity by the iraqi special tribunal for the dujail massacre the killing of 148 iraqi shi ites in the town of dujail in 1982 in retaliation for an assassination the law library of congress recently launched a site to provide users with essential legal information regarding the trial of former iraqi leader saddam hussein and his co defendants in iraq by the supreme iraqi criminal tribunal despite questions regarding the haste of the proceedings saddam s first trial officially began in october 2005 the tribunal convened to try saddam was headed by a panel of five judges and faced the enormous task of prosecuting the former president equitably hussein ould hammada also known as zakaria tabankort is the deputy leader of al murabitoun hammada worked closely with khouier and was involved in several attacks and kidnappings of westerners the department is designating the following for being leaders of jnim an entity that has engaged in or whose members have engaged in the hostage a new approach for lane classification using the onboard camera using the hough transform model is presented and is able to recognize five types of lane markings such as dashed solid double solid dashed solid and solid dashed road markings express the rules for the road while catching the upcoming road layout these rules are applied to driving scenarios by real drivers who are known to hussein a abbas fellow ieee founding editor in chief ieee trans on ai
