The Far Pavilions *2015-12-01*

this sweeping epic set in 19th century india begins in the foothills of the towering himalayas and follows a young indian born orphan as he s raised in england and later returns to india where he falls in love with an indian princess and struggles with cultural divides the far pavilions is itself a himalayan achievement a book we hate to see come to an end it is a passionate triumphant story that excites us fills us with joy move us to tears satisfies us deeply and helps us remember just what it is we want most from a novel m m kays masterwork is a vast rich and vibrant tapestry of love and war that ranks with the greatest panoramic sagas of modern fiction moving the famed literary critic edmond fuller to write were miss kays to produce no other book the far pavilions might stand as a lasting accomplishment in a single work comparable to margaret mitchells achievement in gone with the wind

Shadow of the Moon *2013-07-25*

m m kays author of the far pavilions sweeps her readers back to the vast glittering sunbaked continent of india shadow of the moon is the story of winter de ballesteros a beautiful english heiress who has come to india to be married it is also the tale of captain alex randall her escort and protector who knows that winters husband to be has become a debauched wreck of a man when india bursts into flaming hatreds and bitter bloodshed during the dark days of the mutiny alex and winter are thrown unwillingly together in the brutal and urgent struggle for survival

Never Let Me Go *2012*

drawing on a wealth of primary and secondary sources this book explores how far imperial culture penetrated antipodean city institutions it argues that far from imperial saturation the city down under was remarkably untouched by the empire

Imperial Culture in Antipodean Cities, 1880-1939 *2014-03-11*

Letter from Peking 2013-05-21

this book examines the many ways in which innovative technologies represent a powerful development tool for the tourism and leisure sector and presents novel strategies based on these technologies that foster sustainable tourism management and promote sustainable destinations the aim is to elucidate the ways in which icts can be used to create a high quality experience for citizens and visitors while ensuring the wise ecologically sound management of human and natural resources attention is also focused on the globalized environment in which these advances are occurring and on the impacts of broader social economic and political forces in transforming our understanding of tourism in the era of online devices the book is based on the proceedings of the fourth international conference of the international association of cultural and digital tourism iacudit and is edited in collaboration with iacudit it will have broad appeal to professionals from academia industry government and other organizations who wish to learn about the latest perspectives in the fields of tourism travel hospitality culture and heritage leisure and sports within the context of a knowledge society and smart economy

The Golden Calm 1980

dev is a football player at forester university a small liberal arts college where he and his teammates get to strut around and have their pick of the girls on friday nights that s as good as it gets until he meets lee a fox with a quick wit and an attractive body problem is lee s not a girl he s a gay fox an activist who never dreamed he d fall for a football player as their attraction deepens into romance it s hard enough for them to handle each other let alone their inquisitive friends family and co workers and if school is bad the hyper masculine world of professional sports that awaits dev after graduation will be a hundred times worse going it alone would make everything easier if only they could stop fighting long enough to break up

Innovative Approaches to Tourism and Leisure 2018-09-01

the study of human body measurements on a comparative basis is known as anthropometrics its applicability to the design process is seen in the physical fit or interface between the human body and the various components of interior space human dimension and interior space is the first major anthropometrically based reference book of design standards for use by all those involved with the physical planning and detailing of interiors including interior designers architects furniture designers builders industrial designers and students of design the use of anthropometric data although no substitute for good design or sound professional judgment should be viewed as one of the many tools required in the design process this comprehensive overview of anthropometrics consists of three parts the first part deals with the theory and application of anthropometrics and includes a special section dealing with physically disabled and elderly people it provides the designer with the fundamentals of anthropometrics and a basic understanding of how interior

design standards are established the second part contains easy to read illustrated anthropometric tables which provide the most current data available on human body size organized by age and percentile groupings also included is data relative to the range of joint motion and body sizes of children the third part contains hundreds of dimensioned drawings illustrating in plan and section the proper anthropometrically based relationship between user and space the types of spaces range from residential and commercial to recreational and institutional and all dimensions include metric conversions in the epilogue the authors challenge the interior design profession the building industry and the furniture manufacturer to seriously explore the problem of adjustability in design they expose the fallacy of designing to accommodate the so called average man who in fact does not exist using government data including studies prepared by dr howard stoudt dr albert damon and dr ross mcfarland formerly of the harvard school of public health and jean roberts of the u s public health service panero and zelnik have devised a system of interior design reference standards easily understood through a series of charts and situation drawings with human dimension and interior space these standards are now accessible to all designers of interior environments

Out of Position 2010-12-01

in m m kaye s trade wind when boston bluestocking hero athena hollis travels to zanzibar to visit her uncle an american consul she arrives filled with self righteousness and bent on good deeds she believes that slavery is wrong and determined to do what she can to stop it but she soon finds that maintaining her ideals is not so easy then she meets rory frost a cynical wicked shrewd and good humored trader in slaves what is hero to make of him and of her feelings for him
