overall the garmin etrex h has proven to be simple enough to use and
understand for a first time handheld gps unit user such as myself and
it has stood up to the test of durability since it has been dropped
numerous times and the only thing that broke on the unit was the
small peg for the lanyard attachment but other than that it has come
out perfect for outdoor enthusiasts on a budget etrex h comes with a
high sensitivity gps receiver that locks onto satellite signals quickly
and maintains accuracy even in the toughest conditions installing aa
batteries the handheld device operates on two aa batteries not included
use nimh or lithium batteries for best results 1 turn the d ring counter
