JR.'S ANGEL

2015-01-31

how did an angel enter victor wolf s life the answer was simple at the hockey rink when a little schoolteacher asked a favor of him to bring her the head of a poisonous snake when he went snake hunting she didn t look like an angel the deep discolored circles under her eyes reminded the coach of a raccoon she looked as though she hadn t had a good night s sleep in a while the tough hockey coach didn t look much better he also had circles that everyone said were from too much nightlife they each had their dark secrets jr s angel intertwines the coach and the teacher as they reveal details of their pasts the coach played a chess game with god for much of his life as the game neared its end the coach realized that god would always be the winner as though to make amends god sent him the only woman victor wolf ever really loved the file cabinet is nearly empty although a few notes

remain now i had begun to store my notes that covered twenty years of my life and adventures with my husband as i filed some papers i came across a book by one of vic s favorite authors ernest hemingway hidden inside was a quote by hemingway every man s life ends the same way it is only the details of how he lived and how he died that distinguish one man from another this folded scrap of paper held a clue to vic s philosophy vic loved hemingway because the man wrote about how he had experienced life vic knew the best fiction had to be based upon reality and experience vic s notes and writings revealed how he lived life but his life held sorrow and disappointment until he met the woman who introduced him to the concept of love vic s story had left many unanswered questions this book fills in the missing gaps of many characters jr s angel is a tribute to love a word that a tough guy couldn t speak until he fell under the influence of a little schoolteacher who had been abused and put in a corner she survived somehow once she met the tough guy she flourished the two found each other warrior and angel unselfish love and dedication allowed each to thrive he became her true love and hero she became his angel on this earth

it has been nearly fifty years since martin luther king jr was assassinated at the lorraine motel in memphis tennessee appraisals of king's contributions began almost immediately and continue to this day the author explores a great many of king's chief ideas and socio ethical practices his concept of a moral universe his doctrine of human dignity his belief that not all suffering is redemptive his brand of personalism his contribution to the development of social ethics the inclusion of young people in the movement sexism as a

contradiction to his personalism the problem of black on black violence and others the book reveals both the strengths and the limitations in king s theological socio ethical project and shows him to have relentlessly applied personalist ideas to organized nonviolent resistance campaigns in order to change the world instructors considering this book for use in a course may request an examination copy [here](#)
