includes titles like baby touch and feel animals baby touch and feel bedtime baby touch and feel colors and shapes and more for your little one to enjoy one of michiko kakutani s new york times top ten books of 2016 a funny thing happened on the way to the digital utopia we ve begun to fall back in love with the very analog goods and ideas the tech gurus insisted that we no longer needed businesses that once looked outdated from film photography to brick and mortar retail are now springing with new life notebooks records and stationery have become cool again behold the revenge of analog david sax has uncovered story after story of entrepreneurs small business owners and even big corporations who ve found a market selling not apps or virtual solutions but real tangible things as e books are supposedly remaking reading independent bookstores have sprouted up across the country as music allegedly migrates to the cloud vinyl record sales have grown more than ten times over the past decade even the offices of tech giants like google and facebook increasingly rely on pen and paper to drive their brightest ideas sax s work reveals a deep truth about how humans shop interact and even think blending psychology and observant wit with first rate reportage sax shows the limited appeal of the purely digital life and the robust future of the real world outside it an interactive touch and feel book for babies that inspires hands on learning tactile elements and delightful imagery will encourage the development of motor skills and early learning baby touch and feel first words is an interactive and fun way to help your child learn not only words but shapes and textures too bold bright pictures and colorful illustrations will be more than enough to keep your baby s attention this adorable picture book is a perfect first book for preschoolers and makes for an ideal baby gift not too big and not too small this sturdy padded sensory book is just the right size for little hands to hold no need for mom and dad to turn the pages babies and toddlers can turn the tough board book pages themselves which helps to develop their fine motor skills while building an early language foundation this charming board book for babies includes an amazing range of different textures to explore clearly labeled pictures and a simple easy to follow design easy to read text to encourage early vocabulary building a texture or eye catching area on every page rounded edges and chunky pages protecting babies and their growing teeth learning to read should always be this fun kids will get hours of play from this sturdy board book for babies and toddlers from making the noises and reading the names to feeling the different textures packed full of shiny objects and some bumps and grooves this educational book will engage small children and stimulate early childhood development in different ways this touchy feely book with its strong baby safe jacket makes for an
