Il disegno. L'architettura del moderno. Dalla rivoluzione industriale a oggi.
Per il triennio 2003 der abschlussband des deutsch französischen anr dfg projekts *musici* widmet sich der musikermigration im europa der frühen neuzeit mit einem kultur und musikgeschichtlichen blick auf venedig rom und neapel als reiseziele und wirkungsorte von instrumentalisten sängern komponisten und instrumentenbauern die nicht von der italienischen halbinsel stammten im sinne einer histoire croisée werden netzwerke integrations und austauschprozesse aufgedeckt mit denen fremde musiker zwischen musikalischem alltag und herausragenden festlichkeiten konfrontiert waren auf dieser grundlage wird eine systematische betrachtung der frühneuzeitlichen musikermigration sowie eine untersuchung musikalischer stile jenseits nationaler forschungstraditionen möglich

Europäische Musiker in Venedig, Rom und Neapel 1650-1750 2018-11-07 marble is one of the great veins through the architectural tradition and fundamental building block of the mediterranean world from the parthenon of mid fifth century athens which was constructed of pentelic marble to justinian s hagia sophia in constantinople and the renaissance and baroque basilica of st peter s in the vatican scholarship has done much in recent years to reveal the ways and means of marble the use of colored marbles in roman imperial architecture has recently been the subject of a major exhibition and the medieval traditions of marble working have been studied in the context of family genealogies and social networks in addition architectural historians have

revealed the meanings evoked by marble revetted and paved surfaces from heavenly jerusalem to frozen water the present volume builds upon the body of recent and emerging research from antiquity to the present day to embrace a global focus and address the more unusual or at least unexpected uses meanings and aesthetic appeal of marble it presents instances where the use of marble has revolutionized architectural practice suggested new meaning for the built environment or defined a new aesthetic moments where this well known material has been put to radical use

Radical Marble 2018-04-27 the companion to venetian history 1400 1797 provides a single volume overview of the most recent developments it is organized thematically and covers a range of topics including political culture economy religion gender art literature music and the environment each chapter provides a broad but comprehensive historical and historiographical overview of the current state and future directions of research

Del potere temporale dei papi 1859 numero doppio 160 pagine cm21x29 7
brossura illustrato a colori anno 2015 questo numero speciale di kermes nell ambito delle celebrazioni per il 350 anniversario della morte di nicolas poussin 1594 1665 esce in concomitanza con la mostra poussin et dieu che il musée du louvre presenta nella primavera del 2015 omaggio al pittore filosofo il volume si pone quale strumento scientifico di riferimento che riporta lo stato dell arte a livello internazionale negli studi tecnici poussiniani e accompagna la mostra come adeguato complemento al catalogo per la

comprensione scientifica delle tematiche la pubblicazione è stata l'occasione per attivare un dibattito internazionale quasi un convegno ideale con sede in kermes a cui hanno aderito con entusiasmo oltre venti autori proponendo significativi ed estesi studi in una dimostrazione esemplare d'interazione fra ricerche storico artistiche e tecnico scientifiche it is with great enthusiasm that kermes supported this initiative hosting the studies as though these were part of a conference ideal in that it never took place physically but very much real in terms of the international plurality of its contributions presented here thanks to lively exchange of information across frontiers this publication is the fruit of a perfect and exemplary collaboration between curators conservators and scientists brought together from all countries the publication here before us provides a number of answers let us be brave and use the word definitive to questions which have long been an issue of debate comme l'affirme ici même sheila mctighe toute vision plus large de la pratique de poussin doit dorénavant prendre en compte et intégrer ces nouvelles données techniques pierre rosenberg de l'académie française président directeur honoraire du musée du louvre this volume of the journal kermes devoted to the meticulous technical analysis of several works by nicolas poussin reveals the wealth of knowledge acquired through the implementation of new methods of physico chemical analysis taken together with the detailed investigation of the handling and materials deployed during the process of creating the work of art a number of different means have been

employed in order to investigate in the greatest detail the nature of a particular pigment its impurities the effects of the addition of a medium as well as the effects created by mixtures philippe walter directeur du laboratoire d archéologie moléculaire et structurale cnrs umr 8820 université pierre et marie curie indice index speciale nicolas poussin technique practice conservation a cura di helen glanville claudio seccaroni helen glanville claudio seccaroni nota introduttiva dei curatori editors introductory note pierre rosenberg du progrès en histoire de l art on developments in the history of art philippe walter combiner les regards sur les œuvres de nicolas poussin a combined vision of the works of nicolas poussin sheila mctighe poussin s practice a new plea for poussin as a painter helen glanville nicolas poussin creation and perception paolo bensi supporti e preparazioni aspetti delle scelte esecutive di poussin a confronto con le tecniche pittoriche dell ambiente romano 1620 70 chiara merucci claudio seccaroni qualche osservazione sui bacchanali di putti della galleria nazionale d arte antica in palazzo barberini marcia steele transmitted light infrared imaging of two paintings by poussin at the cleveland museum of art david piurek the cleveland museum of art painting conservation transmitted ir photography setup sophia plender aviva burnstock technical examination and conservation of the triumph of david by nicolas poussin laurie benson carl villis the crossing of the red sea in the national gallery of victoria melbourne john twilley nicole myers mary schaffer poussin s materials and

Nuove prospettive nella ricerca verdiana 1987 die im vorliegenden band
versammelten aufsätze analysieren die vielfältige art und weise wie der
vatikan die nationalen kirchen und einzelne katholiken mit dem aufstieg der
extremen rechten in europa während der 1920er 1930er und frühen 1940er jahre
umgingen vom ende des ersten weltkriegs der mit recht als einer der
wichtigsten katalysatoren des europäischen faschismus in der
zwischenkriegszeit gilt bis zum schluss und zu den unmittelbaren
nachwirkungen des zweiten weltkriegs während einige aufsätze sich auf
theoretische methodologische probleme konzentrieren beschäftigen sich die
meisten beiträge mit jeweils einem land oder einer region wo eine
faschistische bewegung oder ein solches regime zwischen den kriegten und

während des zweiten weltkriegs erfolgreich war und wo es gleichzeitig eine signifikante katholische präsens in der gesellschaft gab fast ganz europa wird behandelt ein beispielloses unternehmen und eine große zahl wichtiger kontexte und methoden wird untersucht so wirken die beiträge mit an der allgemeinen entwicklung eines interpretativen cluster modells das eine reihe von grundmustern der forschung vereinigt und zukünftige untersuchungen anregen wird the papers presented in this volume analyse the many ways in which the vatican national churches and individual catholics dealt with the rise of the extreme right in europe throughout the 1920s 1930s and early 1940s from the end of the first world war arguably one of the main catalysts of european interwar fascism to the conclusion and immediate aftermath of the second world war while a number of papers focus primarily on theoretical methodological issues pertaining to the book s general theme the majority of papers focus on either a country or region where a fascist movement or regime flourished between the wars and during the second world war and where there was a significant catholic presence in society the various chapters cover almost the entire european continent an endeavour that is unprecedented and they explore a wide range of relevant contexts and methodologies thus further contributing to the general development of an interpretive cluster model that incorporates a series of investigative matrixes and that will hopefully inspire future research

A Companion to Venetian History, 1400-1797 2013-07-11 the ruin of the eternal

city provides the first systematic analysis of the preservation practices of the popes civic magistrates and ordinary citizens of renaissance rome this study offers a new understanding of historic preservation as it occurred during the extraordinary rebuilding of a great european capital city

Kermes 94/95 1903 early modern naples has been characterized as a marginal wild and exotic place on the fringes of the european world and as such an appropriate target of attempts by catholic missionaries and others to civilize the city historiographically bypassed in favour of venice florence and rome naples is frequently seen as emblematic of the cultural and political decline in the italian peninsula and as epitomizing the problems of southern italy yet as this volume makes plain such views blind us to some of its most extraordinary qualities and limit our understanding not only of one of the world s great capital cities but also of the wider social cultural and political dynamics of early modern europe as the centre of spanish colonial power within europe during the vicerealty and with a population second only to paris in early modern europe naples is a city that deserves serious study further as a habsburg dominion it offers vital points of comparison with non european sites which were subject to european colonialism while european colonization outside europe has received intense scholarly attention its cultural impact and representation within europe remain under explored too much has been taken for granted too few questions have been posed in the sphere of the visual arts investigation reveals that neapolitan urbanism

architecture painting and sculpture were of the highest quality during this period while differing significantly from those of other italian cities for long ignored or treated as the subaltern sister of rome this urban treasure house is only now receiving the attention from scholars that it has so long deserved this volume addresses the central paradoxes operating in early modern italian scholarship it seeks to illuminate both the historiographical pressures that have marginalized naples and to showcase important new developments in neapolitan cultural history and art history those developments showcased here include both theoretical or methodological innovation and new empirical approaches thus this volume illuminates new models of cultural history designed to ask new questions of naples and tell new stories that have implications beyond the kingdom of naples for the study of early modern italy and indeed early modern europe

Catholicism and Fascism in Europe 1918 - 1945 2015-05-01 early modern naples has been characterized as a marginal wild and exotic place on the fringes of the european world and as such an appropriate target of attempts by catholic missionaries and others to civilize the city historiographically bypassed in favour of venice florence and rome naples is frequently seen as emblematic of the cultural and political decline in the italian peninsula and as epitomizing the problems of southern italy yet as this volume makes plain such views blind us to some of its most extraordinary qualities and limit our understanding not only of one of the world s great capital cities but also of

the wider social cultural and political dynamics of early modern europe as the centre of spanish colonial power within europe during the vicerealty and with a population second only to paris in early modern europe naples is a city that deserves serious study further as a habsburg dominion it offers vital points of comparison with non european sites which were subject to european colonialism while european colonization outside europe has received intense scholarly attention its cultural impact and representation within europe remain under explored too much has been taken for granted too few questions have been posed in the sphere of the visual arts investigation reveals that neapolitan urbanism architecture painting and sculpture were of the highest quality during this period while differing significantly from those of other italian cities for long ignored or treated as the subaltern sister of rome this urban treasure house is only now receiving the attention from scholars that it has so long deserved this volume addresses the central paradoxes operating in early modern italian scholarship it seeks to illuminate both the historiographical pressures that have marginalized naples and to showcase important new developments in neapolitan cultural history and art history those developments showcased here include bot

The Ruin of the Eternal City 2011-04-29 teoria e pratica della diplomazia spiegate da un protagonista d eccezione della storia contemporanea attraverso analisi storiche e racconti di vicende vissute in prima persona

Del Rinascimento Civile D'Italia 1912 i wasn t throwing up i was dying i was

very ill and do you know what in the middle of all that malaise i remember thinking this is what it s like to be married but i d do it again an elderly couple sit in a dark room in their house doing the crossword taking their tablets and knitting all the while raking over a traumatic past that has all but destroyed them conservatory is a compelling play about loss and family which shows that happiness is not a necessary condition of togetherness it premiered at the abbey theatre dublin in march 2014
