every elizabethan trade could be found in the city of london the city of london was a great commercial centre of england and home of the famous london guilds it was also the home of the elizabethan theatre and the dubious pleasures of the liberties elizabethan life elizabethan era index shakespeare s life and times elizabethan london when shakespeare arrived in 16th century london he found a great centre for entertainment as well as theatre for all classes there was sports such as bull and bear baiting gambling dancing and fairs detail from visscher s view of london 1616 in this week s historical city travel guide we journey to elizabethan london from the tower of london to the theatres and bear pits of the south bank we guide you through the things to see in england s capital city as well as providing some tips on what to buy where to eat and the best inns in town location how important was the theatre in elizabethan society the elizabethan era was the great age of theatre and the first permanent playhouse in england was built by james burbage in 1576 in shoreditch and was simply named the theatre soon playhouses were springing up all over london the elizabethan era is the epoch in the tudor period of the history of england during the reign of queen elizabeth i 1558 1603 historians often depict it as the golden age in english history exploring the rare elements of elizabethan london that remain staple inn on chancery lane london geograph the tudor predilection for building in wood left few remains surviving sandra lawrence uncovers the rarities a couple of months ago we explored roman london there s a surprising amount of it not least because the romans historian ian mortimer takes a journey back in time to find out why london was the centre of the elizabethan world hyde park playground of tudor and stuart monarchs view all the late 16th century during the reign of queen elizabeth was the first great blossoming of london theatre providing a platform for the talents of playwrights such as william shakespeare and christopher marlowe many of queen elizabeth i s most entertaining court appearances took place in greenwich itself at greenwich palace the culture of court entertainment partly explains why the elizabethan age was such a notable one for poetry drama and music it was the first permanent building designed expressly for dramatic performances to be constructed in europe since late antiquity the civic authorities of london already unhappy with playing in the streets and innyards of the city proper were not pleased with this new development portrait of william shakespeare social reality at least for the poor and powerless was probably a far cry from the ideal but for a few years elizabethan england seemed to possess an extraordinary internal balance and external dynamism in part the queen herself was responsible shakespeare london fact 9 london bridge was the only bridge that connected the northern and southern sides of elizabethan london and shakespeare would likely have walked across london bridge several times a week well off elizabethan commuters hired ferrymen to ferry them across and along the thames life in elizabethan england 27 the city of london the city of london from shakespeare anthony burgess 1978 the city meant roughly what we mean by the city of london a crammed commercial huddle that smells the river the thames was everybody s thoroughfare 20 july 2012 the black trumpeter john blanke played regularly at the courts of henry vii and henry viii the reign of elizabeth i saw the beginning of britain s first black community it s a elizabeth was born 7 september 1533 at greenwich palace the daughter of henry viii of england r 1509 1547 and anne boleyn c 1501 1536 the princess was named after her grandmother elizabeth of york b 1466 wife of henry vii of england r 1485 1509 elizabethan theatre sometimes called english renaissance theatre refers to that style of performance plays which blossomed during the reign of elizabeth i of england r 1558 1603 and which continued under her stuart successors elizabethan stage during the early part of the 16th century there were two distinct types of theatre in england one was represented by small groups of professional actors who performed in halls inns or marketplaces the location of a play was established by the words and gestures of the actors as in the commedia dell arte these life in elizabethan england a compendium of common knowledge 1558 1603 more than 88 pages of insight into everyday life in tudor england food
