The Cold Book 2015-05-28 the definitive history of the cold war and its ongoing impact around the world the cold war began on the perimeters of europe but it had its deepest reverberations in asia africa and the middle east where every community had to choose sides those choices continue to define economies and regimes across the world stunning in breadth and revelatory in perspective the cold war by prize winning scholar odd arne westad expands our understanding of the conflict both geographically and chronologically and offers a new understanding of how today s world was created an epic account wall street journal an account of the cold war that is truly global in its scope a wise and observant history new republic an ambitious study perspicacious and panoramic in scope financial times best books of 2017

The Cold War 2019-10-15 the common cold is unlike any other human disease because of two factors firstly it is arguably the most common human disease and secondly it is one of the most complex diseases because of the number of viruses that cause the familiar syndrome of sneezing sore throat runny nose and nasal congestion these two factors have made a cure for the common cold one of the most difficult scientific and clinical endeavours a topic often discussed in the popular media where comparisons are made with the ease of putting a man on the moon the present book brings together a wide range of experts from epidemiologists to virologists and pharmacologists to look at recent advances in our knowledge of the common cold in some respects the book is unique as it focuses on the common cold a syndrome so familiar to the layperson but one that receives little attention from the scientist and clinician the common cold can be viewed from many different aspects as illustrated in figure 1 the core knowledge for understanding the common cold must first come from virology and this is discussed in several chapters of the book there have been major advances in this field because of the use of new methods of detecting viruses such as polymerase chain reaction techniques that have greatly aided our understanding of the epidemiology of viruses associated with common cold

Common Cold 2009-11-16 cold has long been a fixture of russian identity both within and beyond the borders of russia and the soviet union even as the ongoing effects of climate change complicate its meaning and cultural salience the russian cold assembles fascinating new contributions from a variety of scholarly traditions offering new perspectives on how to understand this mainstay of russian culture and history in chapters encompassing such diverse topics as polar exploration the eastern front in world war ii and the iconography of hockey it explores the multiplicity and ambiguity of cold in the russian context and demonstrates the value of environmental historical research for enriching national and imperial histories

The Russian Cold 2021-08-13 a lovely fascinating book which brings science to life alan lightman combining science history and adventure tom shachtman holds the reader s attention with the skill of a novelist as he chronicles the story of humans four centuries long quest to master the secrets of cold scientific american a disarming portrait of an exquisite ferocious world ending extreme absolute zero and the conquest of cold demonstrates how temperature science produced astonishing scientific insights and applications that have revolutionized civilization kirkus reviews it also illustrates how scientific advancement fueled by fortuitous discoveries and the efforts of determined individuals has allowed people to adapt to and change the environments in which they live and work shaping man s very understanding of and relationship with the world this truly wonderful book was adapted into an acclaimed documentary underwritten by the national science foundation and the alfred p sloan foundation directed by british emmy award winner david dungan and aired on the bbc and pbs s nova in 2008 library journal an absorbing account to chill out with booklist

Absolute Zero and the Conquest of Cold 2000-12-12 the cold winter is a timely story that addresses the effects of a grid down cyber attack on the residents of a small village in ohio the added twist of a raging snow storm that pounds the region mercilessly creates the cold winter the vesper family lives in a small village near columbus and has prepared some but not enough survival is their challenge but they refuse to climb out of the aftermath by stepping on those in need their goal is to help every family that finds the way to their doorstep although violence eventually comes knocking the looming question eventually becomes apparent will the spring thaw really bring the crisis to an end or is it just the beginning

The Cold Winter 2017-08-09 the cold war shaped the world we live in today its politics economics and military affairs this book shows how the globalization of the cold war during the last century created the foundations for most of the key conflicts we see today including the war on terror it focuses on how the third world policies of the two twentieth century superpowers the united states and the soviet union gave rise to resentments and resistance that in the end helped topple one superpower and still seriously challenge the other ranging from china to indonesia iran ethiopia angola cuba and nicaragua it provides a truly global perspective on the cold war and by exploring both the development of interventionist ideologies and the revolutionary movements that confronted interventions the book links the past with the present in ways that no other major work on the cold war era has succeeded in doing

The Global Cold War 2005-10-24 over the last decade studies of the cold war have mushroomed globally unfortunately work on latin america has not been well represented in either theoretical or empirical discussions of the broader conflict with some notable exceptions studies have proceeded in rather conventional channels focusing on u s policy objectives and high profile leaders fidel castro and events the cuban missile crisis and drawing largely on u s government sources moreover only rarely have u s foreign relations scholars engaged productively with latin american historians who analyze how the international conflict transformed the region s political social and cultural life representing a collaboration among eleven north american latin american and european historians anthropologists and political scientists this volume attempts to facilitate such a cross fertilization in the process in from the cold shifts the focus of attention away from the bipolar conflict the preoccupation of much of the so called new cold war history in order to showcase research discussion and an array of new archival and oral sources centering on the grassroots where conflicts actually brewed the collection s contributors examine international and everyday contests over political power and cultural representation focusing on communities and groups above and underground on state houses and diplomatic board rooms manned by latin american and international governing elites on the relations among states regionally and less frequently on the dynamics between the two great superpowers themselves in addition to charting new directions for research on the latin american cold war in from the cold seeks to contribute more generally to an understanding of the conflict in the global south contributors ariel c armony steven j bachelor thomas s blanton seth fein piero gleijeses gilbert m joseph victoria langland carlota mcallister stephen pitti daniela spenser eric zolov

In from the Cold 2008-01-11 this book gives an up to date account of the current knowledge of cold adaptation in animals including phenomena like hibernation daily torpor thermoregulation and thermogenesis metabolic regulation freeze tolerance anaerobiosis metabolic depression and related processes for the next four years until the 12th international hibernation symposium it will serve as a state of the art reference source for every scientist and graduate student working in these areas of physiology and zoology

Life in the Cold 2000-08-07 this book examines the crisis in ukraine tracing its development and analysing the factors which lie behind it it discusses above all how the two sides have engaged in political posturing accusations escalating sanctions and further escalating threats arguing that the ease with which both sides have reverted to a cold war mentality demonstrates that the cold war belief systems never really disappeared and that the hopes raised in the aftermath of the collapse of the soviet union for a new era in east west relations were misplaced the book pays special attention to the often ignored origins of the crisis within ukraine itself and the permanent damage caused by the fact that ukrainians are killing ukrainians in the eastern parts of the country it also assesses why cold war belief systems have re emerged so easily and concludes by considering the likely long term ramifications of the crisis arguing that the deep rooted lack of trust makes the possibility of compromise even harder than in the original cold war

The Song of the Cold 1948 in the 1980s soviet evidence suggests the reagan arms buildup delayed rather than hastened the accommodation gorbachev desired for internal political reasons both nations the authors argue expended lives and resources out of all reasonable proportion to their legitimate security interests with destabilizing consequences that persist today

The Return of the Cold War 2016-04-14 a third edition of a classic work on cold climate ecosystems updated with a new chapter on mammals and birds

We All Lost the Cold War 1995-07-23 the author examines the culture of the united states in the post world war ii era with its air raid drills spy trials anti communist activity and tv quiz show scandals

Life in the Cold 2000-10-03 the cold war had seemed like a permanent fixture in global politics and until its denouement no western or soviet politician foresaw that the stand off between the two superpowers after decades of struggle over every aspect of security politics economics and ideas would end in their lifetimes even after march 1985 when mikhail gorbachëv became the leader of the soviet union it was not preordained that global nuclear armageddon could or would be averted peaceably but just four years later the berlin wall was dismantled and perestroika spread throughout the former soviet bloc it was a sea change in world history which resulted in the dissolution of the soviet union drawing on pioneering archival research robert service s gripping new investigation of the final years of the cold war pinpoints the astonishing relationships among president ronald reagan and mikhail gorbachëv secretary of state george shultz and the ussr s last foreign affairs minister eduard shevardnadze who found a way to cooperate during times of extraordinary change around the world the story is of american pressure and soviet long term decline and over stretch the end of the cold war shows how that small skillful group of statesmen were determined to end the cold war on their watch in the process they irreversibly transformed the global geopolitical landscape authoritative compelling and meticulously researched this is political history at its best

The Culture of the Cold War 1991 the intricate interlocking stories of jensen beach s extraordinarily poised story collection are set in a swedish village on the baltic sea as well as in stockholm over the course of two eventful years in swallowed by the cold people are besieged and haunted by disasters both personal and national a fatal cycling accident a drowned mother a fire on a ferry a mysterious arson the assassination of the swedish foreign minister and decades earlier the soviet bombing of stockholm in these stories a drunken lonely woman is convinced that her new neighbor is the daughter of her dead lover a one armed tennis player and a motherless girl reckon with death amid a rainstorm and happening upon a car crash a young woman is unaccountably drawn to the victim even as he slides into a coma and her marriage falls into jeopardy again and again beach s protagonists find themselves unable to express their innermost feelings to those they are closest to but at the same time they are drawn to confide in strangers in its confidence and subtle precision beach s prose evokes their reticence but is supple enough to reveal deeper passions and intense longing shot through with loss and the regret of missed opportunities swallowed by the cold is a searching and crystalline book by a startlingly talented young writer

The End of the Cold War 2015-10-08 cold wars tells the story of the common cold the most widespread disease of all from ancient egypt to the space age colds have plagued mankind and many attempts have been made to find a cure today we spend millions of pounds on remedies and businesses lose millions of pounds through employee sickness but are we any closer to conquering the cold in the aftermath of the second world war a concerted effort was made in the uk to resolve the scientific conundrum of the common cold a common cold unit was established near salisbury making use of some rather primitive facilities provided by the american red cross and for nearly 50 years was part of the british medical establishment much of the research was done on volunteers who came in large numbers to the ccu to spend days in isolation while scientists attempted to give them a cold many eminent scientists including james lovelock were part of the attempt to understand the common cold this book begins with a brief history of colds through the centuries describing what earlier generations believed and the strange treatments they tried that the cold was caused by a virus was only uncovered at the beginning of the last century the authors vividly describe the establishment of the common cold unit and its work in uncovering the causes and transmission of the cold and analysing possible treatments finally they assess the progress made in recent years in understanding the psychological aspects of colds and the latest research on prevention and cures cold wars offers a fascinating account of an eccentric but effective attempt to unravel the mysteries of the common cold

Swallowed by the Cold 2016-05-17 a new interpretation of the cold war from the perspective of the smaller and middle powers in asia the middle east and europe

Cold Wars 2002 a claustrophobic high stakes thriller that will have you fearing what waits out in the cold it was supposed to be just one night in the cabin one night for lottie and her brand new stepsister jade to try to get along when a solar flare causes a massive blackout no power or cell signal lottie knows they ve got a long night ahead of them then in the dark someone else shows up at the cabin a stranger named alex claiming to be lost and needing shelter from the coming snowstorm but later that night lottie spies him in the driveway talking to two mysterious men in a pickup truck and she s sure he s lying about why he s here before lottie can find out more a fire forces her jade and alex out into the blizzard where they must rely on one another to get to safety wherever that is in the remote freezing tahoe wilderness they have to survive more than just the elements soon it becomes clear that alex s accomplices are hunting for all three of them in a scheme that s gone too far and taken a chilling deadly turn perfect for readers who love mysteries for teens snowy atmospheric thrillers fans of natasha preston natalie richards and karen mcmanus

Cold Wars 2020-03-19 ron robin looks at the original power couple of strategic studies who during the most dangerous military standoff in history gained access to the deepest corridors of power the wohlstetters legacy was kept alive by disciples in george w bush s administration and their signature brilliance and hubris continue to shape u s policy today

Don't Let In the Cold 2022-09-06 since the cold war ended it has become an international field of study with new material from china the former soviet union and europe this volume takes stock of where these new materials have taken us in our understanding of what the cold war was about and how we should study it

The Cold World They Made 2016-09-19 a courageous and revelatory memoir naomi klein chronicling the life of the leading indigenous climate change cultural and human rights advocate for the first ten years of her life sheila watt cloutier traveled only by dog team today there are more snow machines than dogs in her native nunavik a region that is part of the homeland of the inuit in canada in inuktitut the language of inuit the elders say that the weather is uggianaqtuq behaving in strange and unexpected ways the right to be cold is watt cloutier s memoir of growing up in the arctic reaches of quebec during these unsettling times it is the story of an inuk woman finding her place in the world only to find her native land giving way to the inexorable warming of the planet she decides to take a stand against its destruction the right to be cold is the human story of life on the front lines of climate change

told by a woman who rose from humble beginnings to become one of the most influential indigenous environmental cultural and human rights advocates in the world raised by a single mother and grandmother in the small community of kuujuaq quebec watt cloutier describes life in the traditional ice based hunting culture of an inuit community and reveals how indigenous life human rights and the threat of climate change are inextricably linked colonialism intervened in this world and in her life in often violent ways and she traces her path from nunavik to nova scotia where she was sent at the age of ten to live with a family that was not her own to a residential school in churchill manitoba and back to her hometown to work as an interpreter and student counselor the right to be cold is at once the intimate coming of age story of a remarkable woman a deeply informed look at the life and culture of an indigenous community reeling from a colonial history and now threatened by climate change and a stirring account of an activist s powerful efforts to safeguard inuit culture the arctic and the planet

Reviewing the Cold War 2013-10-14 this book tells the story of how madness came to play a prominent part in america s political and cultural debates it argues that metaphors of madness rise to unprecedented popularity amidst the domestic struggles of the early cold war and become a pre eminent way of understanding the relationship between politics and culture in the united states in linking the individual psyche to society psychopathology contributes to issues central to post world war ii society a dramatic extension of state power the fate of the individual in bureaucratic society the political function of emotions and the limits to admissible dissent such vocabulary may accuse opponents of being crazy yet at stake is a fundamental error of judgment for which madness provides welcome metaphors across us diplomacy and psychiatry social movements and criticism literature and film in the process major parties and whole historical eras literary movements and social groups are declared insane reacting against violence at home and war abroad countercultural authors oppose a sane madness to irrational reason romanticizing the wisdom of the schizophrenic and paranoia s superior insight as the sixties give way to a plurality of lifestyles an alternative vision arrives of a madness now become so widespread and ordinary that it may finally escape pathology

The Right to Be Cold 2018-05-01 interprets the global dynamics of the late cold war in the 1970s from the perspective of a small state bulgaria and its cultural diplomacy in the balkans the west and the third world

Madness in Cold War America 2016-08-19 this book first published in 1961 is an analysis of the great struggle of the twentieth century the cold war it carefully examines the conflict s origins in the russian revolution of 1917 and follows the thread of antagonism between west and east all the way up to 1960 these were the key years of the cold war when it seemed that the prospect of nuclear confrontation was a real one and this book offers a close reading of the main events of those years this volume concentrates on the cold war in the east and volume one focuses on the european theatre

The Cold War from the Margins 2021 the cold war was a conflict between the united states and the soviet union that partly manifested itself as a race to conquer space the soviet union launched the first satellite into orbit in 1957 while twelve years later the united states put the first humans on the moon some of the many technological feats required for space travel trickled down into everyday life such as satellite television bar codes and joysticks this resource highlights innovations that arose from the cold war demonstrating how this long conflict helped shape today s world in some positive ways

The Cold War and its Origins, 1917-1960 2021-01-26 the conflict between the united states and the soviet union during the cold war has long been understood in a global context but jeremy friedman s shadow cold war delves deeper into the era to examine the competition between the soviet union and the people s republic of china for the leadership of the world revolution when a world of newly independent states emerged from decolonization desperately poor and politically disorganized moscow and beijing turned their focus to attracting these new entities setting the stage for sino soviet competition based on archival research from ten countries including new materials from russia and china many no longer accessible to researchers this book examines how china sought to mobilize asia africa and latin america to seize the revolutionary mantle from the soviet union the soviet union adapted to win it back transforming the nature of socialist revolution in the process this groundbreaking book is the first to explore the significance of this second cold war that china and the soviet union fought in the shadow of the capitalist communist clash

Did Anything Good Come Out of the Cold War? 2015-12-15 after a homeless man dies during a cold winter night robyn and her friends work to uncover who the man was before his time on the streets they have only two clues to guide them a class ring and an old photograph that the man left behind robyn just wants to honor the homeless man s memory but as the search heats up she begins to suspect that someone s investigating her too

Shadow Cold War 2015-10-15 conventional wisdom holds that comic books of the post world war ii era are poorly drawn and poorly written publications notable only for the furor they raised contributors to this thoughtful collection however demonstrate that these comics constitute complex cultural documents that create a dialogue between mainstream values and alternative beliefs that question or complicate the grand narratives of the era close analysis of individual titles including ec comics superman romance comics and other more obscure works reveals the ways cold war culture from atomic anxieties and the nuclear family to communist hysteria and social inequalities manifests itself in the comic books of the era by illuminating the complexities of mid century graphic novels this study demonstrates that postwar popular culture was far from monolithic in its representation of american values and beliefs

Out of the Cold 2012-09-01 the unexpected end of the protracted conflict has been a sobering experience for scholars no theory had anticipated how the cold war would be terminated and none should also be relied upon to explicate its legacy but instead of relying on preconceived formulas to project past developments taking a historical perspective to explain their causes and consequences allows one to better understand trends and their long term significance the present book takes such perspective focusing on the evolution of security its substance as well as its perception the concurrent development of alliances and other cooperative structures for security and their effectiveness in managing conflicts in the legacy of the cold war vojtech mastny and zhu liqun bring together scholars to examine the worldwide effects of the cold war on international security focusing on regions where the cold war made the most enduring impact the euro atlantic area and east asia historians political scientists and international relations scholars explore alliances and other security measures during the cold war and how they carry over into the twenty first century

Comic Books and the Cold War, 1946-1962 2012-02-15 this volume investigates the cultural sites where the global cold war played out it brings to view unpredictable encounters that arose as writers artists filmmakers and intellectuals from or aligned with the third world navigated the ideological and material constraints set by superpowers and emerging regional powers often these encounters generated communitas and solidarity while at times they fed old and new conflicts pushing forward recent scholarship that tracks the cold war in the global south and draws on postcolonial approaches our contributors use archival secondary and ethnographic sources to trace the afterlives and memories of key figures and to explore meetings that performed cultural diplomacy our focus on sites of encounter or exchange underscores the situated interpersonal and embodied dimensions through which much of the cultural cold war was experienced while the global conflict divided citizens along ideological fault lines it also linked people through circulating media novels film posters journals and theatre and multinational conferences that brought artists intellectuals and political activists together such contacts introduced new axes of solidarity and hierarchies of exclusion examining these connections and disjunctures this new and necessary mapping of the cultural cold war highlights under addressed locations in asia africa and latin america

The Legacy of the Cold War 2013-12-16 a splendid tale of human ingenuity in the service of taste sedulously researched and told with great flair loyd grossman sunday times author of such cookery classics as italian food and french provincial cooking elizabeth david 1913 1992 found that the literature of cookery as well as the practical side was of absorbing interest and she studied it throughout her life spices salt and aromatics in the english kitchen was published in 1970 followed by english bread and yeast cookery for which she won the glenfiddich writer of the year award in 1977 at the time of her death in 1992 she was working on this equally epic study of the use of ice the ice trade and the early days of refrigeration which was published posthumously in 1994 as harvest of the cold months an awe inspiring feat of detective scholarship the literally marvellous story of how human beings came to ingest lumps of flavoured frozen matter for pleasure there is much much more about the making and breaking of reputations the founding of parisian café culture the great and rivalrous confectioners of eighteenth and nineteenth century london about russian ice cream surprisingly superior and persian sherbets sumptuous independent on sunday this survey of the use of ice in cookery takes us on a fascinating journey from 1581 where in florence they put snow in the wine glasses to that modern phenomenon the growth of the ice cream business a scholarly social history which makes a fitting finale to the work of the greatest of our writers on foods and its contexts harpers queen

The Cultural Cold War and the Global South 2021-07-27 drawing on analyses of the socio cultural context of east and central europe focusing on the czech cultural dynamics of the cold war and its aftermath this book examines the making and breaking of centrally controlled book production and reception

Encyclopedia of the Cold War 2008 focusing on the two tumultuous decades framed by indian independence in 1947 and the indo pakistani war of 1965 the cold war on the periphery explores the evolution of american policy toward the subcontinent mcmahon analyzes the motivations behind america s pursuit of pakistan and india as strategic cold war prizes he also examines the profound consequences for u s regional and global foreign policy and for south asian stability of america s complex political military and economic

commitments on the subcontinent mcMahon argues that the Pakistani American alliance consummated in 1954 was a monumental strategic blunder secured primarily to bolster the defense perimeter in the middle east the alliance increased Indo Pakistani hostility undermined regional stability and led India to seek closer ties with the Soviet Union through his examination of the volatile region across four presidencies mcMahon reveals the American strategic vision to have been surprisingly ill defined inconsistent and even contradictory because of its exaggerated anxiety about the Soviet threat and America's failure to incorporate the interests and concerns of developing nations into foreign policy the Cold War on the periphery addresses fundamental questions about the global reach of postwar American foreign policy why mcMahon asks did areas possessing few of the essential prerequisites of economic military power become objects of intense concern for the United States how did the national security interests of the United States become so expansive that they extended far beyond the industrial core nations of Western Europe and East Asia to embrace nations on the Third World periphery and what combination of economic political and ideological variables best explain the motives that led the United States to seek friends and allies in virtually every corner of the planet mcMahon's lucid analysis of Indo Pakistani American relations powerfully reveals how U.S. policy was driven as he puts it by a series of amorphous and largely illusory military strategic and psychological fears about American vulnerability that not only wasted American resources but also plunged South Asia into the vortex of the Cold War

Harvest of the Cold Months 2011 leading scholars discuss ideology and hotly contested post structuralist theory

Cold War Books in the 'Other' Europe and What Came After 2010-11-19 Seth is one of the few passengers to survive the train crash now he and his fellow survivors face a new world of snow ice and freezing fog where they will be hunted like prey in the ruins of Great Britain

The Cold War on the Periphery 1996-06-13 this volume provides the first study of the history of sinology aka China studies as charted across several communist states during the Cold War the People's Republic of China was created in the first years of the Cold War with its early history and foreign policy intimately bound up in that larger geopolitical fight all the seismic changes in China's geopolitical landscape from its emergence and close relationship with the Soviet Union to the Sino Soviet split and the eventual rapprochement with the United States resulted in a great deal of interest by journalists politicians and scholars yet although scholars across the Soviet bloc produced an impressive body of work on a range of sinological studies with rare exceptions most of those scholars and their work remains unknown outside their own intellectual circles this book redresses this dearth of knowledge of sinological scholarship providing invaluable and unique glimpses of Soviet bloc sinologists and their work during the Cold War including cutting edge research on lesser studied communist states such as Poland Hungary Mongolia and others international in scope this book is ideal for scholars and researchers of modern history Chinese studies sinology and the Cold War

The Cold War and After 2007-02-19 Grace Kennan Warnecke's memoir is about a life lived on the edge of history daughter of one of the most influential diplomats of the twentieth century wife of the scion of a newspaper dynasty and mother of the youngest owner of a major league baseball team Grace eventually found her way out from under the shadows of others to forge a dynamic career of her own born in Latvia Grace lived in seven countries and spoke five languages before the age of eleven as a child she witnessed Hitler's march into Prague attended a Soviet school during World War II and sailed the seas with her father in a multi faceted career she worked as a professional photographer television producer and book editor and critic eventually like her father she became a Russian specialist but of a very different kind she accompanied Ted Kennedy and his family to Russia escorted Joan Baez to Moscow to meet with dissident Andrei Sakharov and hosted Josef Stalin's daughter on the family farm after Svetlana defected to the United States while running her own consulting company in Russia she witnessed the breakup of the Soviet Union and later became director of a women's economic empowerment project in a newly independent Ukraine daughter of the Cold War is a tale of all these adventures and so much more this compelling and evocative memoir allows readers to follow Grace's amazing path through life a whirlwind journey of survival risk and self discovery through a kaleidoscope of many countries historic events and fascinating people

The Cold 2019-07-22 examines American engagement with the world from the fall of Soviet Communism through the opening years of the Trump administration
