certification others overspend in blind pursuit of registration paperback (PDF)  
because of poor guidance on deadlines organization fees and proper  
documentation but quality doesn't have to cost a fortune here at last  
is the first guide to the iso 9000 series that emphasizes a clear time  
saving and cost effective approach amy zuckerman an international  
marketing consultant and long time reporter on iso 9000 matters shows  
you that pursuing quality whether through iso 9000 or other means does  
not have to mean extraordinary expenditures by following her impartial  
and intelligent guidance your company will be able to do the proper up  
front organization that iso 9000 requires and thus control its own iso  
9000 destiny
