Retro Camera Buying Guide: Getting Serious About Photography? On the Cheap! Expanded and Revised 2018-04-17

a lot has changed since i wrote and published this first volume of what became this guide series one thing hasn't i still have the same enthusiasm and joy in photography i had way back at the beginning of the series i have a lot more knowledge and experience now and occasionally even get close to taking good photographs that's the thing see i didn't know a lot when i originally wrote this guide i had been working in photography since 1982 professionally everything i knew pretty much was self taught in general that's still true there's no need for you to do it all by yourself too though this book and this series are meant to help you get going with the basics fast yes ok i tend to relate my own experiences but that too is meant to help you avoid some basic mistakes i made and perhaps i write in a tad too friendly manner but think of it as sitting down with me to have a friendly talk about a passion we share photography

Choose Your Own Camera 1984

with the advent of facebook whatsapp twitter instagram and the plethora of options available to post pictures photographs are taken across the globe as often and as we breathe we are now in the click age where everything gets photographed smart phones and high tech digital cams make life easier for events to be captured but how do you know how to choose the right camera that would ensure your photographs are top quality and would help you to tell the story you want to tell the event you want to chronicle the big idea the desire for the product you want to evoke or the serene mood you want to depict with all the maze of cameras out there and their glowing reviews how do you choose the best camera we have put together a guide that will provide you with fifty 50 trusted elements that you should consider when choosing your dream camera

Basic Camcorder Guide 1993-09

picking up a camera that is 50 or more years old understanding how it works using it in the field and obtaining a set of unique photographs can be very rewarding there are many how to books whether they are original camera manuals or photography technique books but i found few books that help a photographer get the most from using old and vintage cameras in today s world i chose to use purma cameras as they are a somewhat eccentric series of cameras relatively easy to use and readily available at a reasonable price from auction sites car boot fairs facebook marketplace etc the shutter mechanism lens and body are all simple and it is therefore usually possible to understand whether a purma camera is usable upon first inspection the only issue that photographers may need to navigate is the supply of 127 film it is available from some film suppliers or sourced by adapting 120 film

Retro Camera Buying Guide & How to Pack a Gadget Bag 2016
