Off the Grid 2011-12-20 seven years ago u.s. marine gerrit o rourke returned from iraq after learning of a family tragedy when a manhunt turns up empty gerrit joins that city's police department to find those responsible and bring them to justice gerrit travels undercover to a european city on what he believes to be a matter of national security contacted by a mysterious woman alena shapiro gerrit discovers his life is in danger gerrit returns home only to find people close to him wind up dead gerrit and alena combine forces with others to live off the grid while uncovering a conspiracy that reaches to the highest level of government against overwhelming odds they seek to expose a breach in national security time is running out for gerrit for alena for the nation

The Laguna File 2008-12 the laguna file details the third major case of the teacher turned private investigator max cantu after he is asked to investigate the home invasion of a once famous but now reclusive movie star living in laguna beach max finds there is very little to go on since his well known client demands her privacy and refuses to allow him to involve the police even though he has a suspect in his sights proving his guilt presents a formidable challenge not to mention considerable legwork venturing into the world of tattoo parlors surfing stolen identify and greed eventually leads to murder

In the Field 2017-07-05 in the field by renee c fox is a narrative account of the author's life as a sociologist it is not a memoir in the conventional sense rather it is an ethnographic autobiography drawing on a vast reservoir of notes and documents that chronicle the span of her career this work also focuses on the places fox's field research has carried her propelled by a conviction to move beyond the boundaries of herself and of her native land fox has done

first hand research in europe central africa and china as well as in the united states the majority of her research has centered on health illness and medicine other recurrent themes that pervade her work include training for uncertainty the allocation of scarce resources the relationship between self and others detachment and concern the particular and the universal the harm that can result from intended good and the questions posed by illness and accident pain and suffering and death it is fox s commitment as a teacher and mentor of generations of students that lies at the heart of this book this volume will inspire new generations of social researchers

The Adventures of Willy and His Sunburnt Bum! 2021-06 willy loves playing outside but hates wearing clothes especially hats and pants he also likes to say no and do things his own way one hot summer day willy runs away from his mum and plays outside all day without anything on he gets redder and redder until poor willy learns the hard way about protecting himself from the sun written in quirky rhymes by tara pavlovic shepherdson with fun illustrations by stacey sherwood this hilarious cautionary tale will have kids rushing to put on their hats and pants and have sunscreen applied

Cultures of Resistance in the Hellenistic East 2022-05-26 this collaborative volume examines revolts and resistance to the successor states formed after alexander the great s conquest of the persian empire as a transregional phenomenon the editors have assembled an array of specialists in the study of the various regions and cultures of the hellenistic world judea egypt babylonia central asia and asia minor in an effort to trace comparisons and connections between episodes and modes of resistance the volume seeks to unite the currently dominant social scientific orientation to ancient resistance and revolt with perspectives often coming from religious studies that are more attentive to local cultural religious and moral frameworks in re assessing these frameworks contributors move beyond greek non greek binaries to examine resistance as complex and entangled acts and articulations of resistance are not purely nativistic or nationalist but conditioned by local traditions of government historical memories of prior periods as well as emergent transregional hellenistic political and cultural idioms cultures of resistance in the hellenistic east is organized into three parts the first part investigates the great theban revolt and the maccabean revolt the central cases for large organized and prolonged military uprisings against the hellenistic kingdoms the second part examines the full gamut of indigenous self assertion and resistant action including theologies of monarchic inadequacy patterns of historical periodization and textual interpretation and claims to sites of authority the volume s final part turns to the more ambiguous assertions of local autonomy and identity that emerge in the frontier regions that slipped in and out of the grasp of the great hellenistic powers

The Golden Fleece 1974 within the span of a generation nazi germany s former capital berlin found a new role as a symbol of freedom and resilient democracy in the cold war this book unearths how this remarkable transformation resulted from a network of liberal american occupation officials and returned émigrés or remigrés of the marxist social democratic party spd this network derived from lengthy physical and political journeys after fleeing hitler german speaking self professed revolutionary socialists emphasized anti totalitarianism in new deal america and contributed to its intelligence apparatus these experiences made these remigrés especially adept at cultural translation in postwar berlin against stalinism this book provides a new explanation for the alignment of germany s principal left wing party with the western camp while the cold war has traditionally been analyzed from the perspective of decision makers in moscow or washington this study demonstrates the agency of hitherto marginalized on the conflict s first battlefield examining local political culture and social networks underscores how both berliners and émigrés understood the east west competition over the rubble that the nazis left behind as a

chance to reinvent themselves as democrats and cultural mediators respectively as this network popularized an anti communist pro western left this book identifies how often ostracized émigrés made a crucial contribution to the federal republic of germany s democratization
