Engineering Geology Field Manual, Second Edition, Vol. 2, 2001, * 2002

the first version of the who malaria microscopy
quality assurance manual 2009 was based on
recommendations made at a series of informal
consultations organized by who particularly a pi
regional meeting of the who regional offices for
south east asia and the western pacific in april
2005 in kuala lumpur malaysia followed by informal
consultations held in march 2006 and february 2008
in geneva switzerland subsequently extensive stories
for beginning
readers 6

minecraft silly stories about minecraft fun short
stories for kids childrens cute bedtime stories for
consultations among international malaria experts
led to consensus and preparation of the manual
beginning readers 6

this second version of the manual is based on the
recommendations of experts made at a who technical
consultation in march 2014 in geneva switzerland
the aim of the meeting was to review the
experiences of national malaria control programmes
nmcp national reference laboratories nrls and
technical agencies in using the manual and country
experience in order to improve systems for
managing the quality of malaria microscopy this
second version takes into account the many years
of experience of several agencies in the various
aspects of quality assurance qa described in the
manual in particular the sections on assessment of
competence in malaria microscopy are based on use
of this method by the who regional offices for
south east asia and the western pacific in
collaboration with the who coordinating centre for
malaria in australia and by the who regional
office for africa in collaboration with amref
health africa the section on setting up and
managing an international reference malaria slide
bank is based on the work of the who regional
office for the western pacific in collaboration
with the who coordinating centre for malaria
diagnosis in the philippines the section on
proficiency testing for malaria microscopy is
based on work in the who regional office for
africa in collaboration with the national
institute for communicable diseases in south
africa and experience in regional initiatives by
amref health africa the section on slide
validation is based on work by médecins
for beginning

readers 6

minecraft silly stories about minecraft fun short
stories for kids childrens cute bedtime stories for
frontieres and the section on outreach training
and supportive supervision otss is based on work
by the president s malaria initiative malaria care
project medical care development international and
amref health africa the manual is designed
primarily to assist managers of nmcp's and general
laboratory services responsible for malaria
control the information is also applicable to
nongovernmental organizations ngos and funding
agencies involved in improving quality management
systems for malaria microscopy the manual is not
designed for qa of microscopy in research
situations such as in clinical trials of new drugs
and vaccines or for monitoring parasite drug
resistance it forms part of a series of who
documents designed to assist countries in
improving the quality of malaria diagnosis in
clinical settings including the revised training
manuals on basic malaria microscopy 2010 and the
bench aids for malaria microscopy 2010

Malaria Microscopy Quality Assurance Manual - Version 2 2016-04-05

this second edition of the spec manual provides
fashion professionals and students with an up to
date guide for measuring a variety of garments
reflecting standard garment industry practice
