Sinners in the Hands of an Angry God 2019-08-15 preached at enfield connecticut on july 8 1741 this is perhaps the greatest sermon ever

preached in america and is certainly among the most powerful sermons

its forthright dealing with god s wrath and his intense hatred of sin and the sinner it is also one of the most controversial indeed for more than three quarters of the sermon edwards lays down a relentless stream of the most vivid and horrifying descriptions of the danger facing unregenerate men while it is difficult to read such graphic language there is abundant hope in the sermon s conclusion edwards puts it this way and now you have an extraordinary opportunity a day wherein christ has thrown the door of mercy wide open and stands calling and crying with a loud voice to poor sinners while those who would rather ignore god s justice in favor of his mercy condemn edwards and his sermon those who were present and actually heard him preach that day reacted in a decidedly different manner according to the diary of reverend stephen williams who attended the sermon before the sermon was done there was a great moaning and crying through the whole house what shall i do to be saved oh i am going to hell etc the diary goes on to indicate that edwards had to interrupt his sermon and come down to minister to those who were under such awful conviction and so in spite of what the scoffers might think or say the amazing and astonishing power of god was manifested among the people that day with many falling not into the hands of an angry god but into the arms of a mighty savior
