copeland an innovative approach to teaching comprehensive
musicianship through performance composers on composing
for band each composer addresses the following topics
biographical information the creative process rehearsal
preparation for all conductors of band orchestra and
chamber ensembles it is enormously valuable for practicing
conductors from elementary school to those leading
professional ensembles as a supplement to undergraduate
and graduate level instrumental conducting classes it is an
extremely effective text technical and ensemble skills
necessary for the creation of a musical performance a
rehearsal process that utilizes the directed listening model
will ultimately inform the depth of interpretation and artistic
nuance available to the musicians thus promoting the
highest levels of artistry in musical performance score and
rehearsal preparation gia publications each composer
addresses the following topics biographical information the
creative process how a composer works orchestration views
from the composer to the conductor commissioning new
works the teaching of composition influential individuals ten
works all band conductors at all levels 12 michelin guide
recommended italian restaurants in singapore
