thread starter join date may 2004 posts 3 likes 0 received 0 likes on 0 posts how to remove stock radio from a 2004 expedition can anyone tell me how to remove the factory 6 cd in dash stereo from a 2004 expedition it doesnt look like the 2004 has the din holes like the older models

## **2007 radio removal ford expedition forum *Nov 24 2023***

the easiest way to test is to remove the factory radio and try the dvd second to remove the factory radio use a paint can opener or some other dull object to pull out the lower trim panel on the center console just below the aux plug and cig lighter

## ***radio removal on 2003 expedition ford truck enthusiasts forums Oct 23 2023***

1997 2006 expedition navigator radio removal on 2003 expedition i just recently purchased a 2003 expedition with the single cd cassette combination with manual climate control i want to swap out the radio can someone tell me how to get the oem radio out i am sure this has been posted before but i could not

## **radio removal no special tools ford expedition forum *Sep 22 2023***

real good should have taken a few seconds to slide the radio out but freeing the jam took a couple of hours instead insult was added to injury when i found that the radio does not need to be removed when pulling the dash on an 01 note you can use four phillips screw drivers as radio keys in place of the hanger wire pieces shown in the video

## **radio removal from a ford expedition shareamemory com *Aug 21 2023***

getting your radio out of an expedition dash the first step to the radio repair is to remove the radio from the dash in the expeditions there is a bezel that covers the radio that must be removed the bezel is held in place by some compression snaps to remove the bezel you just need to pry the bezel away from

the dash
