Listening to Main Street 2002

providing children with opportunities to talk about their learning enables teachers to hear what children are thinking talking with one another allows children to question elaborate and reflect on a range of ideas classroom talk can be motivating and involving and helps children to think and learn and yet it is difficult to organise such talk in a classroom children unaware of the importance of talk for learning may think of talk as just chat and learning falls away as they slip into social talk this book provides teachers with strategies and resources to enable whole classes to work together through the medium of talk creating a speaking and listening classroom provides timely professional development for teachers based on a theoretical approach underpinned by classroom research this book offers classroom tested strategies for engaging children in their own learning such strategies involve

the direct teaching of speaking and listening activities in the book can ensure that children know how and why to support one another's learning in whole class and group work the approach enables teachers to ensure that personalised learning programs are based on what children already think and know the suggested strategies for teaching speaking and listening can enable children to use one another's minds as a rich resource this stimulating book will be of interest to professionals in primary education literacy co ordinators and trainee primary teachers

Listening 2015-09-21

in genres of listening xochitl marsilli vargas explores a unique culture of listening and communicating in buenos aires she traces how psychoanalytic listening circulates beyond the clinical setting to become a central element of social interaction and cultural production in the city that has the highest number of practicing psychologists and psychoanalysts in the world marsilli vargas develops the concept of genres of listening to demonstrate that hearers listen differently depending on where how and to whom they are listening in particular she focuses on psychoanalytic listening as a specific genre porteños citizens of buenos aires have developed a psychoanalytic ear that emerges during conversational encounters in everyday interactions in which participants offer different interpretations of the hidden meaning the words carry marsilli vargas does not analyze these interpretations as impositions or interruptions but as productive exchanges by outlining how psychoanalytic listening operates as a genre marsilli vargas opens up ways to imagine other modes of listening and forms of social interaction

Genres of Listening 2022-08-08

looming environmental and social breaking points like climate change and massive inequalities are becoming increasingly apparent and large in scale in this book gaya herrington puts today's key societal challenges in perspective her analysis rooted in her research on a 50 year old model of the world that forecasted the onset of global collapse right around the present time brings some structure to what otherwise might feel like the overwhelming task of achieving genuine societal sustainability herrington's research first published in 2020 in yale's journal of industrial ecology went viral after it revealed empirical data tracked closely with the predictions of this world model which was introduced in the 1972 best seller the limits to growth her book five insights for avoiding global collapse contains an exclusive research update based on 2022 data and is written in a more personable and accessible style than the journal article herrington also elaborates more in this book on the many interlinkages between our

economic environmental and social predicaments and on what her findings indicate for future global developments herington lays out why business as usual is not a viable option for global society and identifies the root cause of this unsustainable path most importantly her book teaches us what systemic changes humanity still has time to make to achieve a better tomorrow a future in which society has transformed beyond the mere avoidance of collapse and is truly thriving you can read more about the question if we are on the verge of global collapse here
